

**FALL 2017**  
**375 Level Pedagogy Courses**

Graduate Council policy stipulates that the pedagogy seminar may only be taken in another department with the advice and approval of the Faculty Adviser for GSI Affairs in the teaching department and with the consent of the pedagogy course instructor in the other department.

The courses below may accept first-time GSIs who are teaching in a different department with the appropriate permissions and under the conditions stated in the notes column.

Graduate Council policies on GSI preparation for teaching can be found on the GSI Center website page [Must-See Policies and Resources](http://gsi.berkeley.edu/basics-for-gsis/must-see-policies-resources/):
